- 6. Methodology**

<b>General Methodology</b>	<b>Currency:</b> Euro
	<b>VAT and other taxes:</b> Disclosed amounts do not include VAT and any other applicable taxes. The company should publish a summary of the methodological note used with reference to VAT, currency or other fiscal aspects.
	<b>Late recording:</b> If after the publication of the report, Accord realizes that a Transfer of Value made during the Period Covered has not been disclosed, due to the fact that such has been recorded in Accord's books after the publication of the report, Accord will re-publish an updated report.
	<b>Multi-year contracts:</b> In case of multi-year contracts, disclose is made for the year on which the Transfer of Value is made to the relevant recipient.

**Personal Data:** If consent required under applicable data privacy laws and regulations has not been given by the data subject to Accord (or if Accord might have difficulties in proving such consent), the Transfer of Value is disclosed on an anonymous basis. If the majority of Healthcare Professionals have not given the relevant consent (or such consent is difficult to prove), Transfers of Value are disclosed on aggregate level only.

**Methodology per Category**

**Transfers of Value made to Patient Organisations:** Accord discloses the amounts attributable to the following Transfer of Values which can be reasonably allocated to Patient Organizations, on an individual, named basis: (i) financial and in-kind support; and (ii) fees for services, including a description of the nature of the Transfer of Value and the amount provided; the company must public the list of patient organisations to whom an economic support and/or significant indirect/non-economic support has been provided, together with a description of the purposes. The company must also public the list of Patient Organisations with whom the company has been signed Service contracts. The publication of this list on the website must take place within the first month of the year following the year in which the financial support and / or significant indirect / non-economic support was provided, or a service contract was signed with the Organisation of patients.

**Transfers of Value made to Healthcare Professionals for provided services:** Accord discloses, on an individual, named basis, amounts attributable to fees for services (excluding expenses such as meals and drinks, travel and accommodation), which can be reasonably allocated to Healthcare Professionals for the provision of services, such as consultancy services.

**Transfers of Value related to meetings, educational support and site visits:** Accord discloses Transfers of Value in this category as per option 2 of section V of the Egualia (previously named Assogenerici) Code of Conduct. This is: the aggregate total amount of support provided to Healthcare Professionals per individual conference or meeting. For Accord organised meetings and site visits, Transfers of Values will be disclosed as follows: aggregated amount spent, including the number of Healthcare Professionals financially supported to attend. For sponsorships for attending third party organised congresses, the following will be disclosed: name of congress, aggregated amount spent for the congress, including the number of Healthcare Professionals financially supported to attend.

**Transfers of Value to Healthcare Organisations:** For the following sub-categories, Accord discloses Transfers of Value as follows: (a) for fees for services and consultancy: aggregated honoraria (excluding expenses such as meals and drinks, travel and accommodation) paid by Accord to a Healthcare Organisation in exchange for the provision of services; and (b) for grants and

donations: the aggregated monetary amounts and a brief description of the nature of the grant or donation; and c) direct or indirect economic support for congresses, organised through healthcare institution or third parties, including the sponsorship of HCPs for congresses/conferences (including expenses for registration or travel and accommodation).
